#### IMPORTANT INFORMATION FOR ALL NEBRASKA FILERS

Complete Your Federal Return. Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

Complete Only the Lines on Form 1040N That Apply to You. If a line does not apply to your tax calculation, please leave the line blank.

Enter All Amounts as Whole Dollars. Do not include cents. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Federal Forms W-2, W-2G, 1099-R, and 1099-MISC. A form should be sent to you by your employer or payor by February 15. If you have not received the form by that date, you should immediately contact your employer or payor. If the information on these forms is incorrect, get a corrected form from your employer or payor. A corrected form should be clearly marked "Corrected by Employer/ Payor." If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked "Reissued by Employer."

Balance Due. Any balance due must be paid in full with your return. All taxpayers are encouraged to use the Nebraska Department of Revenue's (Department's) e-pay system. It is fast, secure, and easy. See the Department's website.

**Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. This often occurs when making purchases over the Internet or from out-of-state retailers. See the instructions for line 38.

Penalty and Interest. Either or both may be imposed under the following conditions:

- 1. Failure to file a return and pay the tax due on or before the due date;
- 2. Failure to pay the tax due on or before the due date;
- 3. Failure to file an amended Nebraska income tax return to report changes made to your federal income tax return; More info...
- 4. Preparing or filing a fraudulent income tax return; or
- 5. Understatement of income on an income tax return.

The interest rate for any unpaid tax is 5%, and is calculated from the original due date of the return, even if an extension of time to file is granted.

A Nebraska Extension of Time. The Department accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. A six-month extension to file Form 1040N may only be obtained by:

- 1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S. Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;
- 2. Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received an automatic federal extension by making a payment of your federal estimate of tax due using a credit card;
- 3. Filing a Nebraska Application for Extension of Time, Form 4868N, on or before the due date of the return, when you need to make a tentative Nebraska payment or when a federal extension is not being requested; or
- 4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See number 3 above for further instructions.

NOTE: If you have a combat zone-related or contingency operation-related extension, see the Department's Military Information Guide.

If the extension documentation is not attached, a late filing penalty may be imposed. An extension of time only extends the date to file the return, and does not extend the date to pay the tax (except for combat zone-related extensions). Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

Allow at least *3 months to receive* your refund if you file a paper return.

More info . . .

**Estimating Your 2012 Income Tax.** The estimated tax booklet is available on the Department's website or you can contact the Department. You are encouraged to make estimated payments using the Department's e-pay system.

**Estimated Payments and Penalty for Underpayment of Estimated Tax.** You may owe a penalty if your estimated payments did not total at least:

- ◆ 90% of the tax shown on your 2011 Nebraska return; or
- ◆ 100% of the tax shown on your 2010 return; or
- ◆ 110% of the tax shown on your 2010 return if adjusted gross income (AGI) on the return was more than \$150,000 or, if your filing status is married, filing separately, more than \$75,000.

See the <u>Individual Underpayment of Estimated Tax</u>, Form 2210N, instructions.

An individual who did not pay enough estimated tax by any of the applicable due dates (April 15, June 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated tax later to make up the underpayment.

NOTE: Taxpayers affected by the Nebraska Federal Disaster Declaration may extend the second quarter due date from June 15, 2011 to August 1, 2011. Other taxpayers impacted by a Federal disaster declaration should note the declaration when filing.

Active Duty Military Servicemembers. Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal AGI of a Nebraska resident who is a member of the armed forces, regardless of where the income is received. Check the box "Active Military" on Form 1040N if you or your spouse are active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filling a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special instructions for line 58, Nebraska Schedule I.

The Federal Military Spouses Residency Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. Also, a Nebraska resident servicemember's spouse who works and resides in another state will now be required to file a Nebraska income tax return. More information is available in the instructions for lines <u>58</u> and <u>65</u>, Nebraska Schedule I, or on the Department's website.

**Foreign Income.** Income earned by a Nebraska resident while living in another country is taxable by Nebraska when the taxpayer maintains Nebraska residency (domicile).

**Death of Taxpayer.** A deceased taxpayer's spouse or personal representative may file and sign a return if a taxpayer died before filing a 2011 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property.

"DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death are to be shown in the space provided. See additional instructions in the "How to Complete your Form 1040N" section of these instructions on page 4.

**Fiscal Year Returns.** The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2011, the 2011 Nebraska Tax Calculation Schedule or Tax Table and Nebraska Additional Tax Rate Schedule are to be used without adjustment.

More info . . .

The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year.

Refer to line 28 instructions on the Department's <u>website</u> for additional information on a fiscal year taxpayer claiming the withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

#### Who Must File?

#### A Nebraska resident who:

- ◆ Is required to file a federal return reporting a federal liability; or
- ◆ Has \$5,000 or more of Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

#### A nonresident who:

Has income derived from or connected with Nebraska sources.

#### **Definitions**

**Domicile.** The place an individual considers his or her permanent home. A domicile, once established, continues until a new, fixed, and permanent home is established. There is no change in domicile when moving to a new location if the individual's intention is to remain for a limited time, even if it is several years.

**Resident.** An individual who is domiciled in Nebraska or who maintained a permanent place of abode and resided in Nebraska for six months or more during 2011.

**Nonresident.** An individual who is domiciled for the entire year in a state other than Nebraska, and did not reside in Nebraska for more than six months during 2011.

**Partial-Year Resident.** An individual who either begins or ends his or her domicile in Nebraska during 2011 or who resides in Nebraska for more than six months during the year. When ending your domicile in Nebraska, you must show an intent to abandon Nebraska as your home. Usually a person is only a partial-year resident for one year, not multiple years.

For additional information, refer to the <u>Determining Residency Status for Nebraska Individual Income</u> <u>Tax Filing Information Guide</u> on the Department's website.

The Privacy Act of 1974 provides that when the Department asks you for your Social Security number (SSN), you must first be told of the Department's legal right to ask for this information, why the Department is asking for it, and how it will be used. The Department must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.

The legal right to ask for the information is <u>Neb. Rev. Stat. § 77-27,119</u>. This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.

#### **How to Complete your Form 1040N**

**Name and Address.** When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

**Social Security Numbers.** You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

**Public High School District Data.** All residents and partial-year residents domiciled in Nebraska on December 31, 2011, must enter the high school district code where you are domiciled (permanent resident). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2011, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska's K-12 school systems.

**Farmer/Rancher.** Farmers or ranchers deriving at least two-thirds of their yearly gross income from farming or ranching must check the box below the SSN block. A farmer or rancher who files the 2011 Form 1040N and pays the Nebraska income tax due on or before March 1, 2012, is not required to make estimated tax payments during 2011; otherwise, the entire amount of estimated tax must be paid by January 17, 2012. If you both file and pay after March 1, 2012, you will be assessed a penalty for failure to properly pay estimated tax. An extension of time can not be used to extend the March 1st filing date.

**Active Military.** Check the box "Active Military" only if you or your spouse were on active military duty status at any time during 2011. This includes National Guard/Reservists called to active duty during 2011.

More info . . .

**Deceased.** If the taxpayer or spouse is deceased, enter the first name of the decedent and the date of death in the space provided.

Surviving Spouse filing for a deceased taxpayer's refund must:

Write "filing as surviving spouse" in the signature block on a paper filed Form 1040N, for the deceased. No further documentation is required.

• Personal Representatives filing for a deceased taxpayer's refund must provide:

A copy of the court order or the deceased taxpayer's will showing proof of appointment (a completed and signed Federal Form 1310 or Nebraska <u>Form 1310N</u> is also required if appointed through a will).

◆ Other persons filing for a deceased taxpayer's refund must provide:

Proof of death and a completed and signed Federal Form 1310 or Nebraska Form 1310N.

#### LINE 1

**Federal Filing Status.** Your Nebraska filing status MUST be the same as your federal filing status. The only exception is for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a joint return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse's SSN and name must be entered on the married, filing separately line.

#### Military taxpayers should review the line 58 instructions.

#### LINE 2a

Check the appropriate boxes if, during 2011:

- Box 1. You were 65 or older (taxpayers born before January 2, 1947);
- Box 2. You were blind;
- Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1947); or
- Box 4. Your spouse was blind.

#### LINE 2b

Partial-year residents must also complete dates of residency. For additional information, refer to the <a href="Determining Residency Status">Determining Residency Status</a> for Nebraska Individual Income Tax Filing Information Guide on the Department's website. Nonresident and partial-year resident taxpayers must complete and attach Nebraska <a href="Schedule III">Schedule III</a>, even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident and they elect to file a joint return, a resident return must be filed and Schedule III cannot be used.

#### LINE 4

This includes both earned income (such as wages), and passive income (such as pensions, bank interest, etc.).

LINE 37	Total Tax and Penalty. Add lines 27 and 36.
LINE 38 More info	<b>Use Tax.</b> Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the tax directly to the state.  Enter your total taxable 2011 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local rate schedule on page 23 and multiply your total taxable purchases by the local rate (.005, .010, or .015). Add the state and local tax amounts together and enter on line 38.

**EXAMPLE.** I purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to me in Scottsbluff, Nebraska and no tax is charged or collected by the seller. My total state tax is \$83 (\$1,500 X 5.5% = \$83) and the local tax is \$23 (\$1,500 X 1.5% = \$23). The total use tax owed is \$106 (\$83 + \$23 = \$106). When calculating state and local tax, round your results, and then add together to arrive at your line 38 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Note:** If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the <u>Nebraska Individual Use Tax Return, Form 3</u>.

This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the tax payment.

The routing number is listed first and must be nine digits. The account number is listed to the right of the routing number and can be up to 17 digits. Also complete line 45b, Type of Account. Incorrect banking information will cause your refund to be delayed. Always double check that you entered the correct banking information, since this cannot be changed by the Department.

Box 45d is used to comply with banking rules regarding International ACH Transactions (IATs). The box must be checked whenever a refund will go to a bank account outside the United States or if a refund is sent to a bank account inside the territorial jurisdiction of the United States and 100% of the original refund is later transferred to a bank outside of the United States. These refunds cannot be processed as direct deposits and instead will be mailed.

**Sign and Date Your Tax Return.** Include your daytime phone number and email address in case the Department needs to contact you about your account. By including your email address, you are agreeing that the Department may use it to transmit confidential information through a secure website. A married, filing jointly return must be signed by both spouses.

If another person signs the return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with the Department or attached to the return.

More info . . .

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer. Additionally, the preparer must enter his or her Preparer Tax ID Number (PTIN) and Federal Employer ID Number (EIN).

More info . . .

A credit will not be allowed unless you attach a complete copy of the other state's or political subdivision's return, including all schedules. If the tax is not reported on an income tax return, attach a copy of a letter or statement from the other state or political subdivision showing the income and the tax paid. For political subdivisions not requiring a return, attach the Form W-2 showing the subdivision's tax withheld.
